

Noblelift reach trucks — technical parameters

Reach truck

Noblelift high-lift reach trucks for narrow aisles and racking up to 13 m. A compact build, high residual capacity and lithium battery deliver efficient storage even in demanding operations.

Key features

- **Narrow aisles**
Compact dimensions and a reach mast for work in tight warehouse aisles
- **High lift**
Lift height up to 13 m for efficient use of racking height
- **Lithium battery**
Fast charging and long runtime for multi-shift operation
- **Stability at height**
Stable design for safe handling in high racking

Technical parameters

Parameter	Value
Capacity	1.6 - 2.0 t
Drive	Electric
Lift	Up to 13 m
Battery	Li-Ion
Application	Warehouse / narrow aisles
Type	Reach truck

Available models

- RT 16 C - RT 20 Pro
